Chapter Newsletter - 2021 Quarter 3 (Pakhala Utsava Edition)

Georgia, USA

Date: October 12, 2021

1. Overview

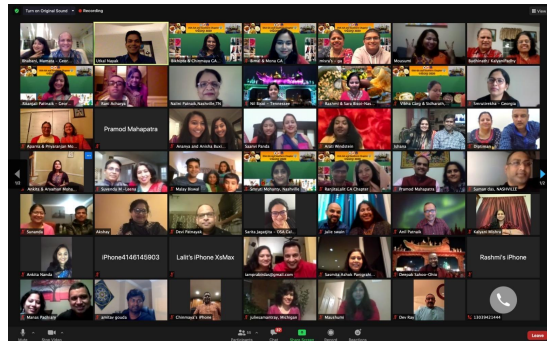

Welcome to the third edition of our newsletter. We have fondly named our newsletter as **Georgia Khabara** (ଓଡ଼ିଆ ଖବର). This edition is named “Pakhala Utsava Edition” after one of the most celebrated events of the quarter. This covers events from November 2020 until September 2021. We have come a long way as a chapter. We have participated and conducted many events, formed different initiative teams and made our chapter presence felt locally, nationally and back in our motherland Odisha too. We are proud to say that we have a very energetic and active chapter team with members taking leadership in different areas and making our young chapter vibrant and visible.

2. Bali Jatra:

In the Hindu month of Kartik (October - November), Odisha celebrates the renowned festival known as Bali Jatra. The name Bali Jatra means 'A Voyage to Bali'. This popular festival of Odisha marks its beginning from the day of auspicious Full moon and continues for the next seven days.

Through this festival, the locals also commemorate the day when sailors of Odisha first crusade to distant lands of Java, Bali, Borneo, Sri Lanka, and Sumatra. To pay their homage, regional people make the artificial boat (made up of paper, barks of the banana tree, and cork) light mud lamps and float it in the water, which is called Boita Bandana.

5. Republic Day

The Republic Day observance and celebrations were carried out with dignity and pride by OSA GA. All Patriotic songs were sung by our beautiful singers. To keep the spirit of Republic Day, we all wore colors coordinated with the tricolor flag. Some of the OSA GA kids played instruments on patriotic songs. Everyone shared their childhood experiences of Republic day back in Odisha which refreshed all our memories of home.

6. Valentine's day

As Pravasi Odias of OSA GA Chapter, we celebrated festivals of our Matrubhoomi and also celebrated a few festivals of our Karmabhoomi(USA). One of them was the Valentine's day celebration celebrated by OSA GA on February 20th. All of our participants were looking fabulous in valentine's day colors. The main attraction of the event was when the couples of GA shared their thoughts about each other(2 things which they like about their better half and one thing which they don't like about their better half). Dance and songs were also presented making it a memorable and fun-filled evening.

8. 'Tribeni Dekha Sakhyat'

We held an outdoor picnic 'Tribeni Dekha Sakhyat' on Saturday 20th of March 2021. About 20 families joined the event with a lot of enthusiasm at the Sims Lake park in Suwanee, Georgia. The youth team had a get together at the venue, spent a lighter moment getting to know each other and also took time to discuss their upcoming activities. The adults enjoyed some fun time

together. Everyone enjoyed hot breakfast and chai before going on a walk around the lake. Upon completing the walk, people joined a group Surya Namaskar session led by one of our members. There was a Zumba session led by one of our youth member and all attendees across all age groups were seen dancing and having fun. It was a day very well spent with members getting to spend quality time together

after a long gap.

9. Youth Initiative

Georgia's youth have taken action and created a GroupMe to discuss events/activities they could undertake as the youth team. This past February, they held a meet and greet, which many had shown up to, to get to know each other. The meet and greet consisted of ice breakers and a fun Kahoot, all created by the youth for the youth! It was enjoyed by all ages from 8-18! They discussed some of their hobbies which varied from coding and drawing all the way to wrestling! Everybody loved the way the meet went,

the amount of interaction they had and the opportunity they got to know each other. They were excited about having more such events and also to meet in person soon when the conditions allow!

10. Utkala Dibasa

Our new born Georgia chapter of the Odisha Society of the Americas is celebrated our first Utkala Dibasa this year on April 10th at 6:30PM EST. Together we remembered our Odisha- Aama mamatamayi matrubhoomi in all her glory and beauty with lots of tenderness, longing and fond memories !! We showcased the richness of Odisha with her vivid and vibrant cultural panorama. Here are a few snippets from the impressive lineup of amazing programs

- We had an array of mouthwatering delicacies from Odia Cuisine that will left a lingering taste in our mouth and made us hungry for more.
- Odisha being a prominent handicraft and handloom state of India - in Weaves of Odisha we promoted the intricate Kalashilpa o KaruKariya of exquisite textiles and design. This was a unique program and was appreciated hugely by the audience.
- The most heartwarming tales are one of love and care and the relationship of grandparents with their grandchildren speaks this language most eloquently. This was portrayed in an informal chit chat of our young ones with their Aja/Aai/JejeBapa/JejeMaa back in Odisha

- The evening had an interesting conversation in Youth connection, with a panel of Young and famous Talents from India who make us all proud to be Odias!! We had eminent young personalities from different fields, Ms. Dutee Chand (sports), Mr. Chiragdeep Panda (music) and Mr. Pranav Khaitan

(Technology) interacting with our youth in a live conversation and shared their stories of success and achievements

- An evening dedicated to Odisha cannot be complete without an Odissi repertoire-- and just not this lyrical classical dance alone- we brought together the other rare dance forms and rhythmic Folk dances from Odisha and made the audience groove to the beat!!
- To sparkle this evening even more, we had Zee Sarthak Lil Champ Sa Re Ga Ma Pa Winner 2018 ChiragDeep Panda and the talented Aadruta kids entertain the audience with their melodious voice.
- We had a rocking fun filled Mehfil with our very own talents and to top it with our Gapa Sapa au Khatti -the heartbeat of OSA get togethers which went on until very late in the night.

11. Bana Bhoji

With the vaccination being rolled out and more and more members getting vaccinated, we held our very first Bana Bhoji on May 15th this year. We went to the scenic Amicalola falls and cooked delicious Odia food on site.

The extensive menu contained Bhata, Maunsa Jhola, Chhena Tarkaari, Bara, Ghughuni, Nadia Pachedi, Khata, Chicken Tandoori, Chicken Tikka, Paneer Tikka and what not! Many of us hiked to the top of the mountain to the origin of the falls. Kids had a

fantastic time playing in the swings, hanging out together and generally having fun. Everyone enjoyed the event with a lot of gapa-sapa, gulli-khatti, music and dance. We also cut a cake prepared by one of our chapter members to celebrate our first Bana Bhoji. The chapter members raised funds on this occasion and donated it to the COVID relief effort in Odisha conducted by the OSA H&W group.

OSA Georgia participated actively in the OSA National Convention held in Houston. Some members of the chapter traveled to Houston to attend in person, and many others participated remotely. The members traveling there got an opportunity to spend time with many new Odia families, connect with a few known faces and overall interact more. The convention team were very courteous to us, showered us with care and love during the three days. The Georgia teams in-person performance was very well appreciated. Our kids' performance was the highlight of Opening day during the Subrina Biswal competition as also during the closing ceremony. 14. Pakhala Utsava

We had a great Pakhala Party on July 24, 2021. In the beginning of the week the weather had us worried a bit but the weather Gods smiled at us and ordered a bright, no rains weather for us.

For this party there was a lot of cutting, frying, grilling , cooking, etc that was done on-site during the picnic hours, and each and every one of us jumped in and lent a hand in all aspects. Saja & Basi pakhala, saga, badi choora, aloo bharta, baigana bharta, baigani,kalara chips, fish fry, chicken 65, dahibara, aloodum, pakudi, ampana, pampada and kakudi salad. There were fun activities including kids games, badminton, frisbee music and dance to keep everyone active. After wrapping up the party some folks went to the reservoir to have some good family time in the cool water after a hot day!

A lot of effort went on to pull together this wonderful event; truly it was a SAMPOORNA SAMUHIKA PRAYASA.

15. Kumara Utsava

“Kuha jaye, Odisha re 12 Maasa re 13 Parba”

Festivals or ‘Parba’ are an expressive way to celebrate glorious heritage, culture and traditions. They are meant to rejoice special moments with our loved ones and connect us with our roots. One such most important festival that of “Kumara Purnima” or “Sharad Purnima” which is celebrated with much pomp and show.

Kumar Purnima falls during the Hindu month of Ashwina, which marks the birthday of Kumar or Kartikeya, the handsome son of Lord Shiva. Young girls perform traditional rituals praying for a perfect life partner like Kumar or Kartikeya. Kumar Purnima also marks the start the 11 days of Gajalakshmi Puja across the state.

We will be celebrating Kumara Utsava on October 23rd at North Gwinnett High School in Suwanee. The Consulate General of India Dr Swati V Kulkarni will be inaugurating the event. The evening will comprise of a kaleidoscope of cultural items by not only from our talented Odias but also from other Indian communities across greater Atlanta area. We also feature kids from Adruta Children’s home and will have some charitable contributions from the chapter towards their cause.

We look forward to a great event and solicit everyone’s active participation and good wishes!
